## **Meet the requirements**

Highlight

The EACMED® provides accreditation for CME activities according to the highest standards of quality.

### **Acceptance CME Activities Types :**

- Conference
- Course & Training programs
- Online symposium
- Hands-on workshops
- Other: applicant needs to clarify...

### **Who is qualified to apply for EACMED® accreditation?**

The EACMED® considers for accreditation events submitted by:

- Individual medical specialist ( Approved License )
- University or hospital department
- Scientific medical society
- National & International medical associations
- Licensed medical training companies

EACMED® will NOT consider for accreditation In case the provider is not one of the above or not Licensed

## **Provider requirements:**

All the criteria below are essential criteria

### Provider Section

Providers must Structure the event to matching defined educational needs carried out prior to the development of a CME activity, The process of a needs assessment is designed to identify the gap between a current situation and a desired situation.

- There are different types of needs assessment:

Evaluation results from a previous activity

Surveys of potential participants

Publication of a new clinical guideline or new research

discussion a changes affecting patient care

- The discrepancy between the current situation and desired situation must be measured to appropriately identify the need. The need can be a desire to improve current performance or to correct a deficiency.

- A short description of this needs assessment process and derived educational needs must be provided and clarified at CME Activity Accreditation form .

### **Identify the expected educational outcome(s) of the event.**

- An expected educational outcome is a formal statement of what participants are expected to learn in an event. Expected learning outcome statements refer to specific knowledge, practical skills, areas of professional development, attitudes, higher-order thinking skills, etc.

- When defining an event' s learning outcomes, action verbs must be used to express what participants will be able to do. Ex. Analyze, create, compare, evaluate.

- Outcomes description must be provided in the accreditation request and the feedback reports .

### **Define the target audience.**

- Accredited event is open to all interested medical and other healthcare professionals,

- The target audience must fall the CME Event educational needs . The target audience must therefore be explained in terms of profession and specialty .
- EACMED® certificates can therefore be distributed to any other healthcare professional attending the accredited event and wishes to benefit from EACMED® credits.

### **Feedback and the Attendance report .**

- Provide a reliable and effective means for the learners to provide feedback on the event, The provider must commit to make available to the EACMED® a report on this feedback and on the provider’ s responses to this.
- Feedback report creation is a provider responsibility and to ensure that a feedback form is completed by the participants at the end of the event. The feedback form must include questions on the lecturer, presentation, content, value of each session and educational outcome. Participants feedback guideline
- EACMED® has right to access and demand this feedback reports.
- Based on the Participants feedback reports the provider must Prepare and submit a general feedback report (better known as “event report” ) . visit website for template
- Participants Attendance report creation is a provider responsibility and to ensure that is Accurate. visit website for template
- Participants will be able to receive their certificate of attendance Illustrated the number of credit Point corresponding to their actual attendance.
- The provider must submit a provider feedback report (better known as “event report” ) to EACMED® reviewing team within 1 week of the completion of the event via Manage CME Accreditation feedback reports link.

### **Additional .**

#### **THE PROVIDER MUST**

- Submit information regarding the expected total number of participants attending the event and the registration fees .
- Expected total number of participants:  
This number includes all participants in the event whether they are specialist doctors or not.
- Registration fee:  
The event may be provided free of charge but only if all participants are admitted without fee , registration Fees not including Accommodation and other facility

## **CME Event Requirements:**

All the criteria below are **ESSENTIAL** criteria.

### CME Event Section

EACMED® Adopts one of the following methods

- Discussion time
  - Hand - on - training
  - presentation
  - Q&A session
  - Training session
  - Groups
  - Open space
  - Electronic communication
  - Other: needs to clarify.
- CME activity must compliance with all relevant ethical, medico-legal, regulatory, and legal requirements.

**Provide the CME activity title , venue, date, language.**

**Title:** must be identical with the title used in all materials related to the event. It is not permissible to have an industrial sponsor' s or a commercial product' s name in the title of the event.

**Venue:** EACMED® deals with the accreditation of international events in Egypt and outside of Egypt, all events must apply the standard EACMED® criteria.

**Date:** EACMED® will accept one set of dates per event. A separate application must be submitted for each repetition of the same event.

must clarify the start and the end date , duration according to the active days only

**language :** CME activity must be submitted in English and all related materials .

**Independence:**

CME activity must be Independent in all manners like commercial, scientific, political, economic and financial, religious, gender-related, ethnic, cultural or geographical.

However, it may be acceptable to discuss positives effective of particular industry or commercial product such as a mechanical device or pharmaceutical products , with the obligation of independence concept to avoid the advertisement in any form.

( The discussions with commercial nature will be excluded from the CME calculation system )

**Funding :**

The source(s) of all funding for the Event must be declared,

Funding can occur via:

- Provider' s own funds
- Participants' registration fees
- Unrestricted educational grant from sponsor
- Exhibition booths during the event
- Commercial symposia organized during the event (not eligible for credit point system)
- Advertisements outside the scientific program
- If other: please specify

Sponsorship (from one or more sponsors) of the event can only be considered as long as the grant is in the form of an "unrestricted educational grant" and all other EACMED® criteria are met.

**The program must contain as a minimum:**

- Details of faculty members and CV of Speakers .
- Titles of lectures, etc.
- Start and end time of individual lectures, workshops and sessions
- Overall expected learning outcomes

**Restrictions :**

- Education sessions cant be contain any kind of commercial interest or advertising manners.
- All On patient clinical practices are forbidden (not eligible for credit point system).
- Hand on training must supervise by specialists members of the CME event scientific committee.

**EACMED® will not permit major changes to the program following confirmation of accreditation. Major changes will require a new application to be submitted.**

## **CMEP ( continuing medical education credit points )**

### **Calculation System**

1 contact hour is based on 46-60 minutes of instruction equivalent to 1 CME credit point ,  
The minimum number of credits points awarded is 0.25 CMEP and the maximum number of credits points is 30 CMEP for the particular event .

One point of instruction plus a portion is awarded as follows:

15 minutes = 0.25 CME point

30 minutes = 0.5 CME point

31-45 minutes = 0.75 CME point

46 minutes - 60 minutes = 1 CME point

1 hour +1 – 15 minutes = 1.25 CME point

1 hour +16 – 30 minutes = 1.5 CME point

1 hour +31 – 45 minutes = 1.75 CME point

1 hour +46 – 60 minutes = 2 CME points

maximum length of a single lecture 2 CME point (60 minutes)

Hand on training - Interactive Activities

30 minutes -60 minutes = 0.5 CME point

- Quiz & assessment sessions is not eligible for credit point system.
- Commercial symposia organized during the event (not eligible for credit point system).
- On patient clinical practices are forbidden (not eligible for credit point system).
- Breaks and side discussions are held outside the CME Activity scope are not eligible for credit point system

## **Accreditation Documents:**
